

A message from our social life committee

Dear Parishioners,

As Parishioners ourselves, we know that we would love to have a vibrant parish full of events and ways to get to know one another; however, this cannot happen with just a few people. We are a new group and would like to add to it!

If you are interested in meeting once a month (beginning in September) to help plan and facilitate events in our Parish, please connect with us! You can be a man or woman, teen or adult. We will have a calendar of events so if you are only interested in helping with specific events, you can do so.

This does not require a huge amount of time if there are enough people to share the planning and work.

We are looking to put on events for singles, couples, families, youth, young adults, and parish-wide. Everyone has a place in this ministry!

Please connect with us if you are interested; we would love to meet you!

Sincerely,

Parish Social Life
