## Message from the Acting President

### Zoomed In or Zoomed Out?

I hope that this message finds members well as the Covid virus continues to spread. The pandemic has meant that many of us have not been able to see friends and family members for a year and a half now. However, we have been able to communicate by phone, Facetime, Google Meet, Zoom, and any other social media platform. We have also been bombarded with a variety of “zoom” meetings, events, activities, webinars, and religious services. I will be the first to admit that there are moments that I would rather zoom out than zoom in. On the other hand, once I have zoomed in, I enjoy seeing faces and being able to have a group discussion. Under the circumstances, zooming in has been a blessing and a way to keep in contact with family and CWL members.

I wish to thank members participating virtually for bearing with me as I learned new technology skills in order to hold meetings virtually. I am still learning in ins and outs of the virtual platforms. There seems to be a new aspect of online meetings to learn every week. Thank you for your patience and for being online.

Stay safe

## May is the Month of Mary

### Prayer to Walk with Mary

Jesus, our brother and our Lord,  
You have come to save us because God loves us with a deep and unending love.  
You have given us Mary, Your mother, to be our Mother too, and invite us to follow her example.  
On earth she was a woman of faith and prayer, of obedience to God's will,  
always ready to serve in any way.  
In heaven she continues to pray for us, so that we may serve God faithfully in our daily living.  
Jesus, help us to ponder in our hearts over the many ways  
You show Your love in our lives, and lead us to walk with Your mother as we follow You each day.  
Jesus, we praise You, for You are our Lord and Our God forever and ever.

Amen

## Dresses for Uganda - Update

Last month, you may remember, we reported that our Council had received a number of completed dresses and a number of “kits” from Holy Trinity CWL Council in Spruce Grove, and we asked for help to sew the dresses from the kits. (Holy Trinity had donated about 35 kits, this in addition to about 5 kits that we had assembled prior to their generous donation). To date, all kits have been or are being sewn – a huge thank you to those who volunteered! As well, we are aware of a number of our members who are working on some dresses to donate – thank you!

Together with the dresses our members have made, the dresses donated by Holy Trinity CWL (about 75), and the kits being sewn, we estimate that we will wa-a-ay more than surpass our initial goal of 30+ dresses for Uganda! Of course, Annet is more than happy (should we say overwhelmed?) with this outcome!

So THANKS SO MUCH to all our members for donating and sewing dresses, for sewing the kits we received, and for your encouragement and support of this project! A huge thank-you also goes (and has gone) to the Holy Trinity CWL for their generous donation. They indeed helped us, but we also helped them, since they wanted to donate their dresses in a way that they knew where they were going. They were so thankful to know where they would be going and, as importantly, that they were helping another CWL member. It truly has been a Win/Win!

Also, any members who are still working on dresses, please contact Connie ([cemcb@telus.net](mailto:cemcb@telus.net) or 780 456-0485) to arrange for pick-up or drop-off – but no rush; we don't need them until September (you might let Connie know if you have some, just so we don't miss them). And then, once all the dresses are in and counted, a final report will come out at a meeting and in the newsletter, so be on the lookout!

## Memories Project Update

Just a reminder to finish the stories/memories you are writing (you are writing them, right?!?) for our 40<sup>th</sup> Anniversary memories project. I have received only a few and am looking forward to many more. You might want to talk to another member and together reminisce about some of the things that have happened – it may help both of you to put pen to paper and record your memories.

Or take a paper and pencil along camping or out on the deck so they're handy when an idea comes into your mind. It's so important to record some of these personal memories for future members to read and better understand our council's history.

The original document and request from last month's newsletter is included in this newsletter to help you on your way. Happy writing!

# 40 Years of Memories Project

## *What's been done since '81?*

### **Calling All Writers, Non-writers, Songstresses, and Poets!!**

Have you heard the news? Our council is having a birthday! Excitement is building for St. Charles CWL's 40<sup>th</sup> anniversary...and we want you to be part of it!

Celebrations include plans to compile a book/booklet/novel of our stories – your stories – CWL memories from the past 40 years. You can tell one story or many stories, write one poem or many poems. They can be a few lines or lots of lines – they can be from 40 years ago, 20 years ago, 1 year ago, or anything in between. They can be about one particular event or activity; about something in general, or about something that is / was meaningful for you. The stories can be happy or sad or nostalgic or traumatic. They can be about a time when you had lots of fun or a time that was disappointing or frustrating for you. They can tell why you became a member and/or why you stay a member.

It is worth telling about ordinary things!

Please don't feel your story isn't important – it is part of the fabric of our council and our history, and it is important!!

We all have memories from St. Charles Catholic Women's League (some more than others!), and now is a great time to share those memories.

So, to trigger those memories and get the creative juices flowing, we are including a list of ideas to assist you in putting your story / stories / songs / poems to paper (or computer).

Please send your submissions (or drop off at the Church in the CWL mailbox) by **July 31, 2021** to:

## Laughter is Good for the Soul

Moses, Jesus and a very old man are golfing. Moses steps up to the tee and hits the ball. It goes sailing over the fairway and lands in the water trap. Moses parts the water and chips the ball onto the green. Jesus steps up to the tee and hits the ball. It goes sailing over the fairway and lands in the water trap.

Jesus just walks on the water and chips the ball onto the green. The old man steps up to the tee and hits the ball. It goes sailing over the fairway and heads for the water trap. But, just before it falls into the water, a fish jumps up and grabs the ball in its mouth. As the fish is falling back down into the water, an eagle swoops down and grabs the fish in its claws. The eagle flies over the green where a lightning bolt shoots from the sky and barely misses it. Startled, the eagle drops the fish. When the fish hits the ground, the ball pops out of its mouth and rolls into the hole for a hole-in-one.

Jesus then turns to the very old man and says, "Dad, if you don't stop fooling around, we won't bring you next time."
